

MEMO FOR DCI

9 Oct 80

From:

1. in Senator Heinz office called me this morning. They have rescheduled the Heinz Senate Seminar for 13 Nov. Senator Heinz is requesting once again that you address the seminar (and he is sending you a letter to that effect). 13 Nov is not a particularly good day for you to do this -- you are scheduled for a luncheon address to the USNA Class of '47 and you have three meetings that day with the college presidents. Unfortunately the seminar can't be rescheduled for another day. You do have time to address the seminar in late afternoon (1645) and Bonner has indicated to me they would like for you to do so.

2. would like to invite you to the embassy for lunch on Wednesday (15 Oct). I explained that you would be on leave but his office asked that I pass the invitation on to you.

3. called from Cambridge yesterday to say that he and his wife would be glad to have lunch with you on the 14th. Will you do the lunch here in the office or at home? It may be more convenient for you to do it here since you have a 1130 O/C by the and a guest speaker in the afternoon.

They arrive in DC at 1830 Sunday night.
